Preparation Questions – Please take time to consider these before the start of the webinar

What are your campus' goals for modifying or improving intake processes?	
Does your campus have an intake form? What areas of focus does it cover?	
What processes are in place to help staff from instructional programs, student service programs, and faculty use intake data? What would be ideal?	
What kinds of technology help would your campus need to refine its intake process?

Facilitated Q&A and Discussion

- How does what you're implementing with career and education planning fit into Guided Pathway design on your campus or in the region?
- Your campus' goals for integrating career planning before or as part of education planning
- Plans for offerings that precede educational planning and/or happen early on in a student's time at Grossmont
- The inventory process of "what's working" from the campus' list of current career planning and/or career exploration offerings
- What has helped to improve coordination between different departments on campus (i.e. counseling, student services, career, and faculty)

Reflection Questions

- What strategies did you hear that are most applicable to your campus's initiative(s) around career and education planning?
- What will you do to adapt these strategies to your campus's needs?
- What are your immediate actions steps, including how you will communicate what you learned today with others on your campus team?
