

CTE Online Courses Recommendations for Exploration

SDICCCA is interested in better understanding current CTE online sections, programs, and trends. The recommendation, in conjunction with the CTE Online Pathways Grant summary, is to compile a brief overview of CTE online courses/sections and a list of all CTE certificates available online.

Potential Regional Reporting:

- Sections
 - By institution
 - By academic year
 - By term
 - Regional Summary
 - Number of CTE Sections Online
 - Percentage
 - Of your CTE sections, what percentage is offered online?
 - Career Education subject areas online – by sector

- Certificate Programs
 - By institution
 - Regional Summary
 - Number of certificate programs available online
 - Definition of programs TBD; may focus on curricular definition(s)
 - List of actual certificate programs by sector

Timeline: TBD
