# Current Discussions

---

- **More professional development needed for faculty**
- **Time needed for faculty to implement action plans**
- **Time needed for researchers to set up an infrastructure to automate reports**
- **Research capacity expansion impacted by hiring freezes**
- **Desire to align Institute 2.0 with academic year**

# Next Steps

---

- Revise timeline and project plan
- Gather stakeholders to review plan in November (possibly) and Dec 2, 9-10 am at Counselors' Conference (definitely)
- Develop inquiry questions (v2.0 online form) with stakeholders (project team, cohort #1, counselors)
- Put together professional development resources into Whova (conference platform)
- Work with the colleges to ensure current funds are spent (more consultation meetings)
