Articulation Agreements

Credit Awarded

BENEFITS: DATA SHARING

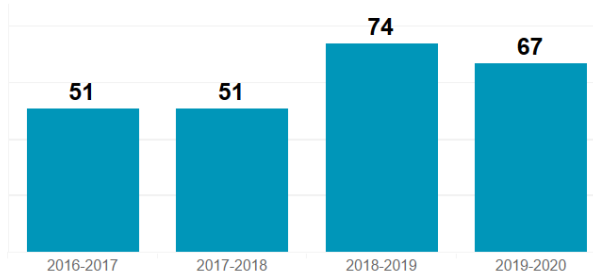

High School Articulation Summary

Last Annual Update:
9-5-2020

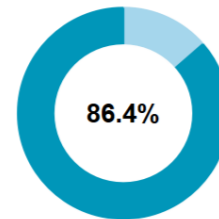

High School District: **Carlsbad Unified School District** High School: **All**

All	Academic Year	High School District Carlsbad Unified School District	All	High School	BUS Subject	All	Course
-----	---------------	--	-----	-------------	--------------------	-----	--------

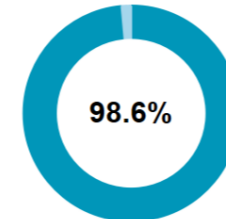

Enrollments Per Year

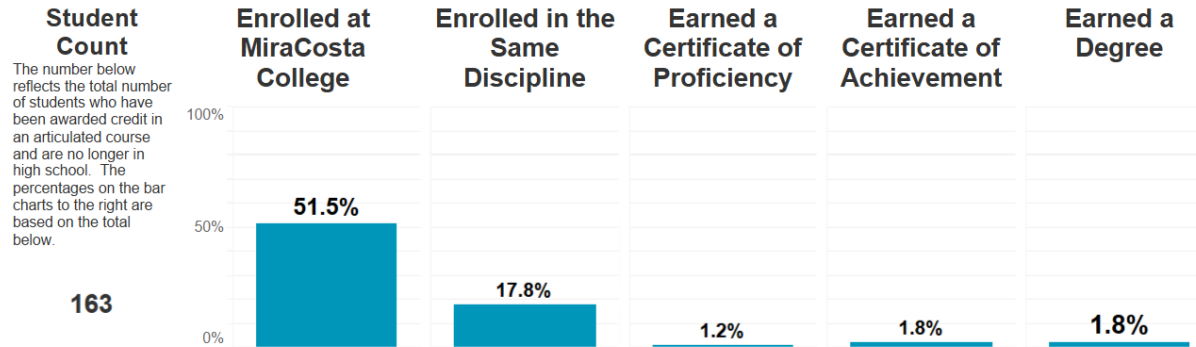

Credit Recommended
This chart reflects the total number of enrollments where credit was recommended by the instructor.

Credit Received
This chart reflects the total number of enrollments that resulted in the awarding of college credit.

Student Outcomes

CHALLENGES/AREAS OF GROWTH

- Two systems with different calendars and processes that don't always align
- Staff turnover and maintaining momentum
- Expand dual enrollment offerings
- Working together on one K12 SW Application Project
