AGENDA

- I. Review Homework (30 min)
 - Bring CPL BP (or status of your new policy)
 - How did you develop the policies? Did you copy Palomar or did you start from scratch?
 - Interesting discussions you had on campus while developing your policy
 - i.e. what does “registered student mean”
 - Questions?
 - Do you have any CPL eligible courses already?
 - What assessment types?
 - What do you use for Curriculum Management, Student Information, Electronic Forms?
 - Review VRC, Review Palomar College Website, Review Toolkit
 - Did you learn anything new? Anything in particular you would like to discuss now that you have reviewed this information?
 - How did the VRC work for you?
 - Is there anything missing from this information that you think should be added?

- II. Implementation 101 - CPL Brainstorm: Whose job is it anyway? (20 min)
 - Now that you have identified stakeholders and action items, you know where to begin
 - Start engaging with these stakeholders early, make sure they understand their role in CPL
 - Gather input from your stakeholders
 - What are they excited about, what are they concerned about
 - Start scheduling meetings to dig in

- III. Break (10 min)

- IV. How to develop CPL assessment methods (45 min)
 - How to begin with faculty...
 - Inventory sheet
 - How to work with faculty to develop rubric assessments for each assessment
 - CBE, Industry Certs, Military, Portfolio review

- V. Sustaining CPL - Positions needed (i.e. faculty, staff, administrative) (15 min)
 - Based on what we discussed earlier, what kinds of positions do you deem necessary to get this work done?
 - You are a CPL lead, are you faculty?
 - If so, are you prepared for the admin tasks necessary, are you prepared to call/schedule these meetings? Do you have help (i.e. staff support and leadership support)
 - If not faculty, do you have a faculty lead to work with faculty on curriculum?
 - Ongoing costs
 - Have your colleges started discussing ongoing funding for the positions and work mentioned today?
 - Open for discussion: guided pathways, senate, DEI, SWP, SEA
 - How do we ensure CPL is reviewed/updated regularly
 - As you work on rubrics with faculty, how do you ensure this stays up to date?
 - Incorporate into curriculum process
