**AGENDA**

**I. Review Homework (15 min.)**

1. Are your colleges reporting the MIS data element?
  - Who is responsible for this reporting on your campus?
  - What are they reporting & how are they pulling the data?
  - How is your college determining the assessment date, etc.?
  - What did they report this last semester?
2. What is your current CPL petition process (might just CBE)?
  - Are your colleges charging fees?
3. Review/consider applying for NORCO MAP (Did anyone apply?)

**IV. Sustaining CPL**

1. How do we ensure CPL is reviewed/updated regularly (15 min.)
  - Steps for Eligibility
  - As you work on rubrics with faculty, how do you ensure this stays up to date?
    - incorporate into curriculum process
2. Positions needed (i.e. faculty, staff, administrative) (5 min.)
  - Based on what we discussed earlier, what kinds of positions do you deem necessary to get this work done.
  - You are a CPL lead, are you faculty?
    - If so, are you prepared for the admin. tasks necessary, are you prepared to call/schedule these meetings? Do you have help (i.e. staff support and leadership support)
    - If not faculty, do you have a faculty lead to work with faculty on curriculum?
3. Ongoing costs (30 min.)
  - Have your colleges started discussing ongoing funding for the positions and work mentioned today?
  - Breakout group activity (10 min.)
    - Get into your breakout room
    - Review the Google Doc - Whose job is it anyway? from our last workshop
    - Add to the document - possible funding sources
    - Pick one funding source - and identify at least 3 justifications of why this funding source works
  - Share out/discussion (20 min.)
    - Guided pathways, senate, DEI, SWP, SEA
