Perkins V Workshops

The San Diego & Imperial Counties Community Colleges (SDICCC) Regional Consortium kindly invite you to a workshop in Spring 2022 to discuss Perkins V. The goal is to better understand the Regional Comprehensive Needs Assessment and identify which findings and strategies align with your Comprehensive Local Needs Assessment (CLNA) and program needs. This workshop is intended for faculty members, but all are welcome.

Under the direction of the SDICCC Regional Consortium and the Center of Excellence for Labor Market Research, the **SAME** Perkins V Workshop will be provided twice via zoom (*choose to attend one workshop in the registration link*):

- Wednesday, February 23, 2022 from 2-4 pm
- Friday, February 25, 2022 from 9-11 am

The workshops will be recorded for use by registered attendees, including those who are unable to attend live.
