**There Is A  
Community College  
Near You**

# PROGRAM FINDER

Created to align the high school industry pathways with community colleges

Program Finder is created to be adopted statewide

2nd region to adopt program finder (San Diego & Imperial Counties)

Funded by the SWP in collaboration with SDCOE, IVROP, and ICOE

# WHAT IS PROGRAM FINDER?

Program Finder is a tool to help students connect with career technical education programs offered at community colleges

**Easy to use**

**Students are able to browse by industry sectors and find programs that match their interest**

**Middle school students are able to browse and view programs offered at their feeder high school**

# THE POWER OF PROGRAM FINDER

## Identify

College campuses that match student's interest

## Evaluate

Industry sector pathways offered at both community colleges and high schools

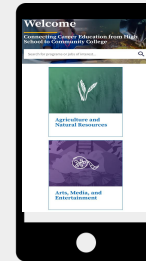

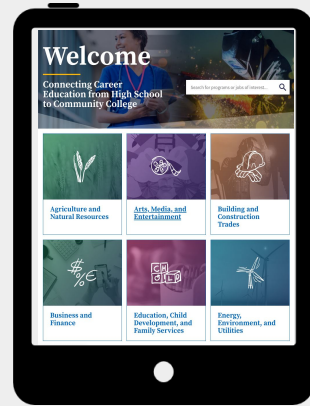

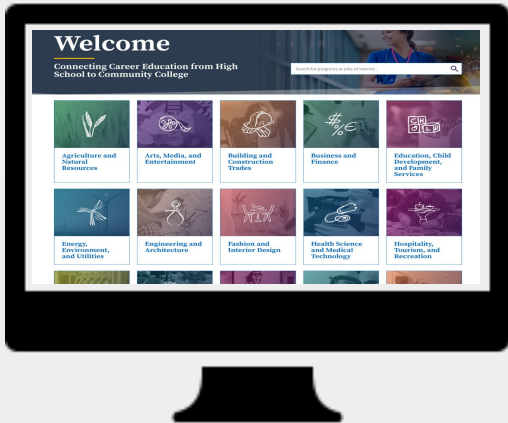

## Customize

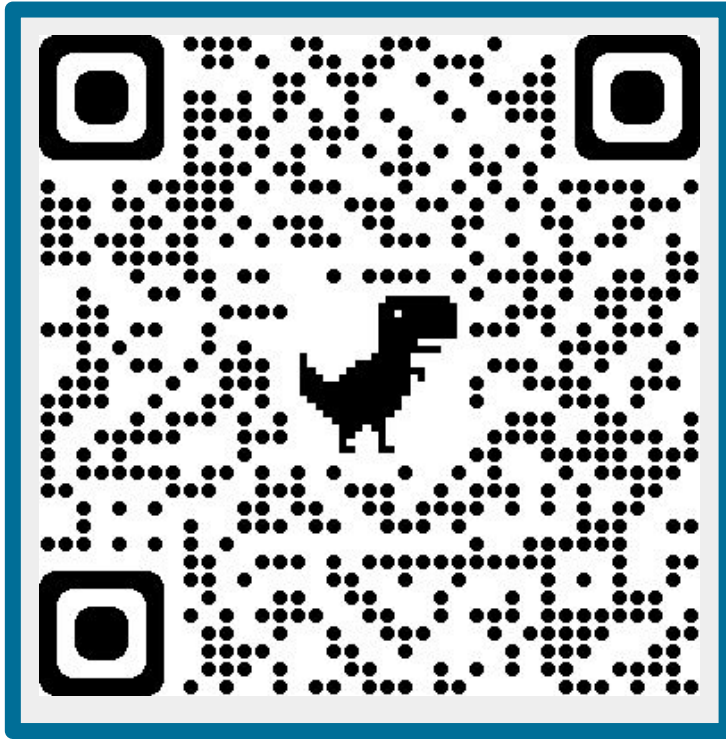

College and career goals

## Connect

Career Technical Education from high school to community college

# ACCESSIBILITY

# HOW TO USE PROGRAM FINDER

## Welcome

Connecting Career Education from High School to Community College

Agriculture and Natural Resources

Arts, Media, and Entertainment

Building and Construction Trades

# WHO CAN USE PROGRAM FINDER?

**Middle School Students**

**High School Students**

**Parents/Guardians**

**Counselors**

**Teachers**

# STUDENTS/PARENTS

## STUDENTS

Can discover community college programs that match their interest and goals

Can connect CTE pathways to Community College Education Pathways

MS Students can explore CTE pathways offered at their feeder high schools

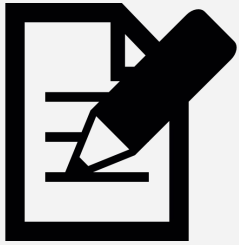

## PARENTS

Can be involved in creating an academic plan

Can understand that CTE pathways lead to postsecondary education and careers

Can visualize the high school and postsecondary partnership enabling clear pathways to certification and degrees

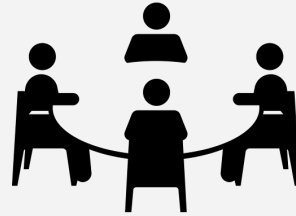

# COUNSELORS

Program Finder can be used to create an academic plan for students

Program Finder can be used to explore career interest with students

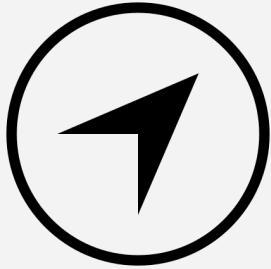

Can be used with students individually, small groups or large group setting

Middle school counselors & 8th grade students can explore CTE programs offered at their feeder high school

# TEACHERS

Educate students on how to navigate career technical education programs within community colleges while finding related programs and making important connections

Educate students on how to utilize the K12 and CC crosswalk

Teachers and administrators can identify K-12 pathways within their college footprint.

# HOW IS THE DATA ACCUMULATED?

## **K12 CTE enrollment Data**

### **CALPADS**

- **Course name**
- **Pathway the course falls under**
- **# of students enrolled**
- **The school providing the course**

## **Top 4 Programs at Community Colleges**

### **Chancellor's Office Curriculum Inventory (COCI)**

- **Top 4 programs**
- **College name**
- **Course title & Code**

# CAREER TECHNICAL EDUCATION CROSSWALK

The following crosswalk identifies K12 Career Technical Education industry sectors with the Community Colleges industry sectors

K12 Industry Sectors	Community College Industry Sectors
 Agriculture & Natural Resources	Agriculture, Water & Environmental Technologies
 Arts, Media, & Entertainment	Information & Communication Technologies / Digital Media
 Building & Construction Trades	Energy, Construction & Utilities
 Business and Finance	Business & Entrepreneurship
 Education, Child Development & Family Services	Education & Human Development
 Energy, Environment, & Utilities	Energy, Construction & Utilities
 Engineering & Architecture	Energy, Construction & Utilities
 Fashion and Interior Design	Retail/Hospitality/Tourism 'Learn and Earn'
 Health Science & Medical Technology	Health, Life Sciences/ Biotech
 Hospitality, Tourism, & Recreation	Retail/Hospitality/Tourism 'Learn and Earn'
 Information & Communication Technologies	Information & Communication Technologies (ICT) / Digital Media
 Manufacturing & Product Development	Advanced Manufacturing
 Marketing Sales & Services	Business & Entrepreneurship
 Public Services	Public Safety Career Cluster
 Transportation	Advanced Transportation & Logistics

This crosswalk identifies K12 Career Technical Education industry sectors with the Community Colleges industry sectors.
