Experience

# The Work

---

Supporting the expansion of **equitable, high quality** dual enrollment (DE) programs for the San Diego Imperial Regional Consortium to advance **intentional dual enrollment practices** for **pathway completion**

- **Regional Dual Enrollment Survey**

What are the needs and the opportunities around early college credit? Creates context for the work!

- **Monthly Community of Practice Meetings**

Highlight best practices, create community and connection, find opportunities for collaboration

- **Bimonthly Dual Enrollment Office Hours**

For practitioners and K14 pathway coordinators to support to support expansion of equitable, high quality dual enrollment (DE) programs

- **Dual Enrollment Website**

Centralize resources and examples of early college credit outreach, alignment, and acceleration, spotlight presentations from the community of practice meeting

- **Analysis and presentation of CC special admit data**

Data highlights opportunities and trends, including demographics of dual enrollment

everything  
is  
connected
