

Homero Escandón
Executive VP, Head of Operations | President
Biotix | ASCM San Diego

Homero has over 25 years' experience in Supply Chain and Operations roles across multiple industries. He is currently Executive VP & Head of Operations for Biotix, Inc, a world-class manufacturer of laboratory consumables and liquid handling solutions. His previous work has been for companies such as Northrop Grumman, LSI Aerospace, and United Technologies Corporation. Homero spent 11 years active duty in the U.S. Marine Corps, including two deployments to Iraq in support of the Global War on Terrorism.

Homero holds a B.S. in Organizational Leadership and a Master of Business Administration. His certifications include Certified in Planning & Inventory Management (CPIM), Certified Supply Chain Professional - Fellow (CSCP-F), Certified in Logistics Transportation and Distribution - Fellow (CLTD-F), Project Management Professional (PMP), Lean Six Sigma Master Black Belt (LSSMBB), Certified Supplier Quality Professional (CSQP), and Certified DISC Practitioner.

Homero joined the ASCM San Diego Chapter Board of Directors in October 2018. He is currently in his third term as President. Homero is an ASCM Master Instructor and Extended Studies instructor at Cal State San Marcos and UC Berkeley.
