

MiraCosta LAEP Implementation

MiraCosta Context

Experience
with
subsidized
external
internships

Integrated
student
worker
hiring

Culture of
innovation

Focus on
equity &
learning

Implement
at scale

Decisions Made So Far

Sign off & support from executive management

New student worker classification

Pilot with internal placements

Employer responsibilities

Work to be Done

Board approval
of student
worker
classification

Contracting &
invoicing
processes

Hours tracking
& verification
processes

Final employer
agreement

Lessons Learned

Capacity to scale implementation

Integrated processes that support students

Equity & learning are primary...

...but CSAC regulations aren't learning-centered
