

Pathway Navigation WG3 Meeting

Themes & Upcoming Work

February 16, 2023

**SAN DIEGO & IMPERIAL COUNTIES
COMMUNITY COLLEGES**

Themes (1 of 2)

1. Careers, careers, careers!

- Careers embedded in everything we do with students
- Career is an **inescapable** part of students experience across the system
- Career is key in ACPs and student success teams
- Career tools rolling out across the region

2. Outreach to adult learners and non-credit pathways (beyond HS outreach strategies)

3. Direct connections between GP and PN

Themes (2 of 2)

4. Cultural shifts

- Systematizing career and ed planning
- Engaging faculty - getting them invested as partners supporting careers

5. Technology - Overcoming barriers and identifying best practices

- COMEVO
- CCCApply
- Career Coach

6. Connect specific milestones or touchpoints in student experiences to data or leading indicators

Challenges & Pain Points Overview

1. Leadership & Faculty
2. Data
3. Technology
4. Tracking career engagement

- Leadership support and getting faculty and leaders to champion the work
- Access to or use of data or metrics that are needed to show improvement
- CRM tool to centralize data and better learn about successes & challenges
- Career tools roll out - getting the students to use them and follow-up
- Connections across different technology implementation and data
- Track career planning before education planning

Padlet Milestones Summary ("traditional" student)

- Outreach
- Orientation
- Counselor engagement
- Enrollment
- Persistence
- Retention
- Completion
- Transfer
- Employment

Themes of Activity

1. Data needed
2. Data currently collected
3. Questions students might ask
4. Data detail/disaggregation
5. Process or flow of information

Community of Practice - More work to do

- What does the journey look like for different types of student personas?
- What are the milestones and touch points on their journey?
- What are the pain points along that journey?
- What supports are offered there?
- What data are available (or could be) at these points along the journey?

Don't Miss It! PN Community of Practice

Fri. March 3, 2023

9AM - 12PM

SDCCE North City

Campus - 8355 Aero Dr.
