CAREER EDUCATION

San Diego & Imperial Counties Strong Workforce Program

Inventory of Applied & Work-Based Learning Opportunities 2018-19

INTRODUCTORY INFORMATION

Applied and work-based learning (WBL) are critical strategies for deepening learning and preparing students for future career opportunities. WBL helps make learning more engaging and relevant by connecting academic learning with real-world experiences, supporting students in defining career goals, and giving students practical experiences to develop skills needed in the workplace.

* 1. Contact information (of person completing inventory)

First

Last

Email

* 2. Identify your Community College

* 3. What is your role at the college?
