- Operationalization of Data
    - Building a culture around data literacy, stewardship and equity
        - San Diego Workforce Partnership has been working on this for the past 18 months
            - Data Stewardship
                - Aligning entire organization around data management best practices
            - Data Literacy
                - Cultivating understanding through accessibility and engagement
            - Data Analysis
                - Analyzing and reasoning. Answer questions and telling impact stories
            - Data Equity
                - Analyzing impact to individual and community
                - Analyzing performance and distribution of services for our target populations
        - Services Distribution Analysis
    - Data Landscape
        - Utilizing Domo/Azure as a data warehouse for other sources (O*Net, Emsi, etc.)
- Foundational BI Analysis
    - Building the shared internal BI language
        - Automated report or dashboards where teams can review every month utilizing the same language
- Economic & Impact Analysis
    - Identifying opportunities & challenges in our local economy
        - Goal is to help evaluate programs and see what kind of impact they are having
        - External work with organizations throughout the County
        - Analysis of core sectors that need to be focused on as an organization

1:46 pm CTE Economic Impact Report

- Progress is going well and will have a presentation in the next D & R Committee if not in Fall
- Powerful, new information in a never before done format so hoping that it can be replicated

2:00 pm Regional Research Role

- Help accomplish two goals of supporting college research work and support other workgroups in data and research needs
- Provide feedback on Google Doc: https://docs.google.com/document/d/155PizDUN4AcDRsPQTkFi7-cOuaLjf46vtztKzWcgRU8/edit

2:10 pm Roundtable Updates

- Research Council on June 9, email Robert Chu at rchu@miracosta.edu for an invitation
- Black Student Equity Project
    - Focus groups completed
    - Getting ready to survey thousands of students
    - Complete by June 30 shared in Fall
- Sector Analysis Reports releasing tomorrow

2:20 pm Adjourn
