## **Career Technical Education Equity Program (CTEEP)**

A CTE Middle Skill Career Pathway Program for Students with Disabilities

We believe that every student has unique skills, talents and interests that when expressed in service to one another through the world of work give students independence, purpose and meaning to their lives.

## CTEEP – The Why:

⑧ ⑧ 중 중 ⑧ № № № % ⊘ ⊘ ∞ ∞ ∞

- Historically low expectations
- Not recognizing true potential (stuck in deficit mode)
- Limited CTE exposure during high school
- CTE is strengths based and workforce aligned

• Livable wage (middle skill jobs average \$20/hr.)

San Diego Continuing Education · San Diego Unified

## CTEEP – The Why:

⑧ ⑧ 중 중 ♡ № % 중 중 중 중 ∞ ∞

- Economic outcomes: SSI vs living wage
- No bridge to non-credit CTE college
- Rightful, equitable and appropriate access
- Reasonable and attainable career goal
- Workforce and community integration
- Self-esteem: Flip the script (e.g., plumber vs pro athlete)

## CTEEP – The How:

- Targeted under enrolled CTE classes in 21 high schools
- Offered pathways that would provide a higher probability of success
- Carefully selected inclusive CTE teachers
- Pitched CTEEP to equity focused principals
- Provided paraeducator support

🚳 🥝 🚯 🎻 🛞 🕼 🍘 🍘 🍘 🧐 🤓 🥪 🚱 🚱 🚱 🚱

## CTEEP – The How:

- Provided teachers and administrators with right to remove student who fail to meet academic and behavioral expectations
- Selected students with high probability of success
- Set high behavior student expectations
- Start small (1st cohort of 31 students)
- Limited number of students in each class
- Lowered students' affect by providing access to CTE on HS campuses
