# WELCOME

**On behalf of the Conference Planning Committee, we are delighted to welcome all of you to this year's Counselor Conference sponsored by the San Diego and Imperial Counties Regional Strong Workforce Program.**

We hope you will enjoy this informative event themed "Counseling for Careers" filled with valuable resources and networking opportunities that will expand your understanding of local career education pathways.

The San Diego-Imperial Center of Excellence (COE) for Labor Market Research projects that between 2017 and 2022, there will be more than 47,000 job openings per year in the area's 100 top middle-skill job categories that earn an average hourly wage of \$26.70 (or \$55.5K annually). Middle skill jobs are positions that require more than a high school diploma but less than a four-year college degree. In response to the middle skills job gap, California took a bold step with the approval of the Strong Workforce Program to create more middle-skill workers. The San Diego and Imperial Counties region knows that in order to get our students into these middle-skills jobs they need to have an awareness of the career pathways that exist in the community colleges; an understanding of how to align their interests, skills, and abilities with the variety of career options that are available in our economy; an infrastructure of interconnected support systems to help them along their journey; as well as ample work-based learning and employment opportunities to directly link them to businesses.

In addition to the great variety of breakout sessions, you will have a chance to connect with community college and other post-secondary representatives to learn what career pathways they offer and which programs prepare students for in-demand middle skills jobs.

Thank you for joining us today. A special thanks to all our partners, volunteers, and presenters who made this event possible.

<b>8:30-9:00am</b>	Check-In & Breakfast
<b>9:00-9:15am</b>	Welcome - Adrian Gonzales, Acting President/Vice President for Student Services, San Diego Miramar College
<b>9:15-10:00am</b>	Keynote - Tina Ngo Bartel, Director, Centers of Excellence for Labor Market Research

## WELCOME SPEAKER / 9:00-9:15AM

**Adrian Gonzales**  
**Acting President/Vice President**  
**for Student Services,**  
**San Diego Miramar College**

Adrian Gonzales has served as a faculty member and educational administrator within the California Community College system for over 20 years. He initially started his professional career as a Program Associate for the Education, Media, Arts & Culture Program with the Ford Foundation (New York, NY). His work with the Foundation was focused on supporting grant-making efforts geared toward strengthening K-16 educational partnerships in several cities throughout the U.S.

Adrian transitioned to the community college system in 1998 via College of the Desert (Palm Desert, CA) where he served as a faculty coordinator, program director, student services dean, and interim vice president for student affairs. He then joined Palomar College (San Marcos, CA) in 2013 as the Assistant Superintendent/ Vice president for Student Services where he provided oversight of admissions, counseling, financial aid, athletics, campus police, student government, and various student support programs. During the 2014-2015 academic year Adrian also served as Palomar College's Interim Superintendent/President.

## KEYNOTE SPEAKER / 9:15-10:00AM

**Tina Ngo Bartel**  
**Director, Centers of Excellence for**  
**Labor Market Research**

"Career pathways," "in-demand jobs," and "sectors," are all terms we hear a lot, but how do they connect education with the world of work? Tina Ngo Bartel, Director of the region's Center of Excellence for Labor Market Research, will present how the labor market has evolved over time and how these topics help us prepare students for the future of work.

For seven years, Tina has been analyzing the job market and interviewing employers for economic, education and workforce development organizations. As a Project Management Professional (PMP), she helps manage region wide research projects for the San Diego and Imperial Counties Community Colleges. Tina was previously the Director of Business Programs and Research at the San Diego Workforce Partnership (SDWP). Her research at SDWP brought in more than \$20 million in grants for San Diego County to provide training for in-demand jobs and emerging occupations.

10:10-11:10 AM

## Career Skills Across the Curriculum

*Spinnaker 1*

**Cindy Morrin**, Counselor, Faculty, Curriculum Chair, Cuyamaca College

**Nadine Elia**, CalWORKs Counselor, Grossmont College and Health Education Interpreter & Tutor, Cuyamaca College

**Lorena Quiroz**, Interim Career Services and Job Development Supervisor, Cuyamaca College

What are the career skills students need to know to be successful in the 21st century? What is work-based learning (WBL) and how does this relate to the world of work? Learn how to teach career skills and WBL skills across the curriculum. This breakout session will cover tips and tricks on how to incorporate career awareness, 21st century skills, and WBL activities in every classroom on your campus. Counselors and teachers will have a better understanding of what 21st Century skills and WBL curriculum is and will walk away with simple activities they can use in their classrooms. These activities will include utilizing the O\*Net, creating informational interviews, and developing skills modules within their existing curriculum subjects.

## The World of Work: A Systematic K-8 Introduction to Career Options, Strengths, Interests & Values

*Marina 6*

**Melanie Brandt**, WoW Facilitator, Cajon Valley Union School District

**Chris Collins**, WoW Facilitator, Cajon Valley Union School District

**Lauren Rhoads**, WoW Facilitator, Cajon Valley Union School District

The World of Work Initiative is a K-12 curriculum that provides students with the tools needed to explore the World of Work through investigating their own unique strengths, interests and values. Students engage in classroom-based simulations that teach real world job skills while building a foundation of career, financial, and social/emotional wellbeing that will prepare them for a happy, healthy, and gainfully employed future.

## College Fit in Career Education

*Nautilus 1*

**Cecilia Enyard**, Career Center Assistant, MiraCosta College

**Luke Lara**, Counselor, MiraCosta College

**Amy Pimentel**, Career Education Pathways Coordinator, MiraCosta College

When helping students build a college list and make a postsecondary plan, we ask students and families to consider a number of factors, including majors, cost, financial aid, and location. Most students are choosing between community college, public 4-year, or private 4-year colleges. Students in career education program are often faced with the additional option of a private for-profit college, which adds additional criteria to the college fit discussion. Not only is the cost higher at a for-profit school, but students also face long-term risks of financial aid eligibility and courses that don't transfer to public or nonprofit institutions. In this session, we will discuss the key differences of community college and for-profit career education, and how counselors can use this information when advising students on their college lists. Presenters will share their experiences and expertise in counseling, financial aid, and student support services.

## Building a K-Life College/Career Readiness Connection Framework

*Nautilus 2*

**Glyn Bongolan**, Counseling Department  
Chair, Palomar College

**Jesse Luna**, Counselor, Del Norte High School

**Emily Stevenson**, CTE Counselor,  
Poway Unified School District

From K-12 to Life, CTE program partnerships between K-12 districts and community colleges can yield great results relative to graduation and matriculation to college. This session will discuss best practices in reframing CTE, strategies to help ensure all students are college, career, and life ready, as well as building a Strong Workforce partnership with local community colleges.

## What is Industry Saying and Looking For? Q & A Session with the Regional Directors of Employer Engagement

*Nautilus 3*

**Jennifer Patel**, Regional Director,  
Employer Engagement, Business and  
Entrepreneurship, San Diego & Imperial  
Counties Community Colleges

Learn what employers are discussing with the Regional Directors (formerly known as Deputy Sector Navigators) as they engage the various sectors in San Diego and Imperial Counties. This will be an interactive session for educators to ask questions about the priority sectors which are: Advanced Manufacturing, Advanced Transportation & Logistics, Business & Entrepreneurship, Health, ICT & Digital Media, and Life Sciences & Biotechnology.

## Connecting the Dots Between Interests, Majors, & Careers

*Nautilus 4*

**Mona Patel**, Career Center Coordinator,  
Career Counselor, Assistant Professor,  
San Diego Miramar College

Holland Codes, also known as the Holland Occupational Themes (RIASEC), can help match interests to majors and potential career paths. Come learn about different resources and assessments such as Career Coach, Strong Interest Inventory, and O\*Net to see which ones might work best for your students.

## Career Options for DACA and Undocumented Students

*Nautilus 5*

**Kellie Corbisiero**, Career Counselor,  
Southwestern College

**Alejandra Garcia**, Project Specialist,  
Dreamer Center, Southwestern College

Learn techniques for facilitating career development for students who are undocumented/ borderless and DACA participants. Learn how to empower these students with options while understanding the experiences they go through. Southwestern College's Dreamer Center Coordinator and Career Counselor have collaborated to provide information on the student perspective and steps you can take to support these students while engaging them in career conversations to show them that they have options.

12:15-1:15 PM .....

## **Career Counseling Techniques for the Student Veteran** *Spinnaker 1*

**Kellie Corbisiero**, Career Counselor,  
Southwestern College

**Erik Moberly**, Academic & Veteran  
Counselor, Southwestern College

Learn techniques for working with student Veterans that honors their experience and training while providing practical career development. This session will provide information on the student Veteran experience including added barriers to education, transition difficulties from military to civilian life and career strategies to best serve those who served our country as they prepare for their next career.

## **Student Success Panel - Connecting to the Students We Serve** *Marina 6*

**Shawn Fawcett**, Work-Based  
Learning Coordinator,  
San Diego Mesa College

All students should graduate from high school ready for college, careers, and life, prepared to pursue the future of their choosing. Come hear the stories, aspirations and challenges of a panel of community college career education alumni that bring their unique and diverse experiences to the workforce. This session will prove that, as quoted from Kim Cook, Executive Director of National College Access Network, "career exploration in middle or high school, an effective choice of college major and postsecondary institution, working during college, and the acquisition of non-cognitive skills can all improve rates of college access and completion as well as employment for our students."

## San Diego & Imperial Counties Community Colleges' Career Education Programs Highlight - South & East Counties

*Nautilus 1*

**Kim Zant**, Career Pathways Manager,  
San Diego and Imperial Counties  
Community Colleges

This panel discussion will include presenters from San Diego Continuing Education, Southwestern College, Imperial Valley College, Grossmont College and Cuyamaca College. The presenters will share information about career education programs that tie into priority sectors, new majors, and what makes their college stand out. Come learn more about your local career education programs. *Please note: all community colleges are tabling in the Bay View Foyer on the main level from 11:00 am-1:30 pm.*

## Ikigai for All: Ensuring Students are Future Ready

*Nautilus 2*

**Jewyl Clarke**, Integrated Curriculum  
Coordinator, San Diego County  
Office of Education

Let's talk strategies and resources to ensure your system is designed to help students find out what they love, what the world needs, what they can get paid for and what they are good at. At the intersection of these our students may just find their Ikigai, or purpose, and can use this to inform their future.

## Are Your Students Ready for Employment? Industry Panel Discussion

*Nautilus 3*

**Kevin McMackin**, Director of Strategic  
Partnerships, San Diego and Imperial  
Counties Community Colleges

This session will provide insight into what human resources departments assess when hiring new personnel. Attendees will learn the importance of technical and soft skills, resume and social media (i.e. LinkedIn), industry certifications, etc. In addition, we will discuss current HR trends for students interested in internships and mentorships, tips on how to be noticed in a pool of qualified candidates, and online applications. Sectors represented in the panel include Health, Advanced Manufacturing, Business & Entrepreneurship and more.

# CONFERENCE SCHEDULE: BREAKOUT SESSION 2

12:15-1:15P M .....

## Supporting Career Readiness with CalCRN Resources

*Nautilus 4*

**John Merris-Coots**, Education Programs Consultant, California Department of Education (CDE)

Engaging students in effective career exploration can support student and school success on the California School Dashboard. Session attendees will learn how California Career Resource Network (CalCRN) resources can be used to help students assess their career related interests, identify occupational options, and relate their school experiences to career goals. Session handout will provide a summary overview of all CalCRN resources. You can visit the CalCRN website at [www.californiacareers.info](http://www.californiacareers.info) to learn more.

## CTE Transitions and Opportunities for Early College Credit

*Nautilus 5*

**Eric Anthony**, Program Support Technician, San Diego Community College District

This breakout will focus on the CTE Transitions programs available throughout San Diego and Imperial Counties. Panelists will explain opportunities available for high school students to receive college credit through this program, as well as the impact of this work throughout the region. Panelists will be represented from the following; San Diego Community College District, Palomar College, Southwestern College, Cuyamaca College, Imperial Valley College, Grossmont College and MiraCosta College.

..... 1:25-2:25 PM

## Open Room for Networking & Collaborating

*Spinnaker 1*

Looking for a space to talk, network and collaborate with other counseling professionals? Spinnaker 1 will be open for meetings.

## Student Success Panel - Connecting to the Students We Serve

*Marina 6*

**Shawn Fawcett**, Work-Based Learning Coordinator, San Diego Mesa College

All students should graduate from high school ready for college, careers, and life, prepared to pursue the future of their choosing. Come hear the stories, aspirations and challenges of a panel of community college career education alumni that bring their unique and diverse experiences to the workforce. This session will prove that, as quoted from Kim Cook, Executive Director of National College Access Network, "career exploration in middle or high school, an effective choice of college major and postsecondary institution, working during college, and the acquisition of non-cognitive skills can all improve rates of college access and completion as well as employment for our students."

1:25-2:25 PM .....

## San Diego & Imperial Counties Community Colleges' Career Education Programs Highlight – North & Central Counties

*Nautilus 1*

**Kim Zant**, Career Pathways Manager,  
San Diego and Imperial Counties  
Community Colleges

This panel discussion will include presenters from Palomar College, MiraCosta College, San Diego Miramar College, San Diego Mesa College and San Diego City College. The presenters will share information about career education programs that tie into priority sectors, new majors, and what makes their college stand out. Come learn more about your local career education programs. *Please note: all community colleges are tabling in the Bay View Foyer on the main level from 11:00 am-1:30 pm.*

---

## The College and Career Indicator (CCI) Sets Up Pathways to Success

*Nautilus 2*

**Jewyl Clarke**, Integrated Curriculum  
Coordinator, San Diego County  
Office of Education

**Shannon Coulter**, Director Research  
and Evaluation, San Diego County  
Office of Education

Get to know the CCI! The College and Career Indicator (CCI) on the California School Dashboard is built to ensure students are on a pathway to college and career success. In this session, we will dive in to look at the many measures embedded in this indicator and discuss ways to decode the data so you can begin to envision where your work can impact improvement for both your students and the state accountability system. Additionally, we will share long-term success data for students involved in CTE to support pathway work at your site or district!

---

## Are Your Students Ready for Employment? Industry Panel Discussion

*Nautilus 3*

**Kevin McMackin**, Director of Strategic  
Partnerships, San Diego and Imperial  
Counties Community Colleges

This session will provide insight into what human resources departments assess when hiring new personnel. Attendees will learn the importance of technical and soft skills, resume and social media (i.e. LinkedIn), industry certifications, etc. In addition, we will discuss current HR trends for students interested in internships and mentorships, tips on how to be noticed in a pool of qualified candidates, and online applications. Sectors represented in the panel include Health, Advanced Manufacturing, Business & Entrepreneurship and more.

## Supporting Career Readiness with CalCRN Resources

*Nautilus 4*

**John Merris-Coots**, Education Programs Consultant, California Department of Education (CDE)

Engaging students in effective career exploration can support student and school success on the California School Dashboard. Session attendees will learn how California Career Resource Network (CalCRN) resources can be used to help students assess their career related interests, identify occupational options, and relate their school experiences to career goals. Session handout will provide a summary overview of all CalCRN resources. You can visit the CalCRN website at [www.californiacareers.info](http://www.californiacareers.info) to learn more.

## When Planning for College Isn't Enough

*Nautilus 5*

**Jamie Davenport**, Curriculum Specialist, Grossmont Union High School District

**Esteban Monge**, Work-Based Learning Specialist, Grossmont Union High School District

**Tracy Wilson**, Director College & Career Readiness, Grossmont Union High School District

What should high school counselors know about Career and Technical Education (CTE)? How does CTE prepare students for both college and career? In this session, we will answer these two questions and others related to how CTE can lead to success for all students in college, career and beyond.

C U Y A M A C A  
· C O L L E G E ·

## CUYAMACA COLLEGE | El Cajon

Situated on 165 rolling acres in scenic Rancho San Diego, Cuyamaca College opened in 1978 and serves almost 10,000 students each semester. The school in eastern San Diego County offers 91 degree programs and 74 certificates. Cuyamaca College has renowned career education programs in automotive technology, ornamental horticulture, computer and information science, and engineering.

G R O S S M O N T  
C O L L E G E

## GROSSMONT COLLEGE | El Cajon

Grossmont College, located on a 135-acre mesa in northwest El Cajon, has been a vital part of the community since 1961. Grossmont serves almost 19,000 full- and part-time students per semester, and offers 95 degree and 73 certificate programs. Grossmont College has highly regarded career education programs in culinary arts, nursing and health, and law enforcement.

## IMPERIAL VALLEY COLLEGE | Imperial

In 1962, a handful of people gathered on a 160-acre plot of land in Imperial, CA. It was the first day of classes for what would become Imperial Valley College. Today, 9,000 students learn across dozens of degree, certificate and career education programs each semester. Over the past decade, Imperial Valley College has continued major modernization programs, including construction of state-of-the-art Career Education buildings and labs, and establishment of innovative educational partnerships.

## MIRACOSTA COLLEGE | Oceanside

The MiraCosta Community College District includes Oceanside, Carlsbad, La Costa, Encinitas, Olivenhain, Rancho Santa Fe, Cardiff by the Sea, Solana Beach, Del Mar, and Carmel Valley. With its coastal location, beautiful campuses, and strong academic programs, MiraCosta College attracts students from throughout San Diego County, the state, and the country as well as from abroad. Founded in 1934, today, MiraCosta is one of a handful of California community colleges that offers a bachelor's degree. Nearly 15,000 students take class each semester, including military members and veteran community.

## PALOMAR COLLEGE | San Marcos

Palomar College is a public, two-year community college. Its main campus is located approximately 30 miles north of downtown San Diego, in San Marcos, California. Palomar enrolls nearly 30,000 full-time and part-time students and gives you the opportunity to choose from over 200 associate degrees, complete certificate training programs, and enjoy career education classes for lifelong learning.

## **SAN DIEGO CITY COLLEGE | Downtown San Diego**

For more than 100 years, City College has been a public, two-year community college serving as the educational cornerstone of downtown San Diego. The college covers 60 acres, taking up 20% of downtown's footprint. By the numbers, the school offers 250 majors and certificate programs, and conducts 1,500 classes each semester for more than 17,000 students. Explore career education at City College.

## **SAN DIEGO CONTINUING EDUCATION | Across San Diego**

Founded in 1914, SDCE is the adult education division of the San Diego Community College District. SDCE provides accessible, equitable, and innovative quality education across more than 70 programs and thousands of free classes. Programs are available at seven campuses in San Diego from the Barrio Logan community in the south, to Miramar in the north. Students also attend classes at over 200 community locations.

## **SAN DIEGO MESA COLLEGE | Clairemont Mesa**

As one of California's largest community colleges, Mesa College ranks as San Diego's top transfer institution, with small classes, award-winning faculty, and a reputation as the leading college of equity and excellence. Conveniently located in central San Diego, Mesa offers Career Education programs in fields such as allied health, Geographic Information Systems (GIS), business, multimedia, hospitality, culinary arts, fashion, architecture, and interior design along with a four-year baccalaureate degree in Health Information Management.

## **SAN DIEGO MIRAMAR COLLEGE | Mira Mesa**

Founded in 1969, and located in Mira Mesa, Miramar College enrolls 15,000 students annually, in both online and on-campus classes. The school offers 117 degrees and certificates across 16 career education programs. Partnerships with local industries help prepare students for high-demand and well-paying jobs in the highly-competitive labor market, including biotechnology, paralegal, aviation, automotive, diesel and advanced transportation and energies.

## **SOUTHWESTERN COLLEGE | Chula Vista**

Since its inception in 1961, Southwestern College has shaped the lives of hundreds of thousands of South County students through higher education. Nestled on a 156-acre campus in the heart of Chula Vista, the school provides a supportive environment, with over 320 associate degree and certificate programs available for a highly diverse traditional and non-traditional student population. Whether your goal is a certificate, degree, transferring to a four-year college, or pursuing career education, SWC offers extensive opportunities to meet educational, career and personal improvement goals with five locations throughout the South Bay.
