Sector Recommendation Methodology

Sector Analysis Reports (2018) COE identified top occupations with supply gaps by sector and shared recommendations with colleges for feedback (e.g., focus groups)

Employer Interviews (2019-2020)

Regional Directors reviewed Sector Analysis recommendations and interviewed/surveyed employers for more information

Additional Labor Market Research (2019-2020)

Regional Directors requested more research from the COE based on their analyses and information above

Sector Recommendation Reports (Present) RDs and COE collaboratively work together to produce "sector recommendation reports"

Sharing and Receiving Feedback (Fall 2020) RDs and COE share recommendations with WDC and industry groups/panels for feedback
