CAREER EDUCATION

A Community College Student's Road to Career Success

- **Outreach** - Meaningful engagement and exploration by career pathway
- **Alignment** - industry and intersegmental pathway alignment
- **Acceleration** - Early college credit and credit for prior learning, etc.

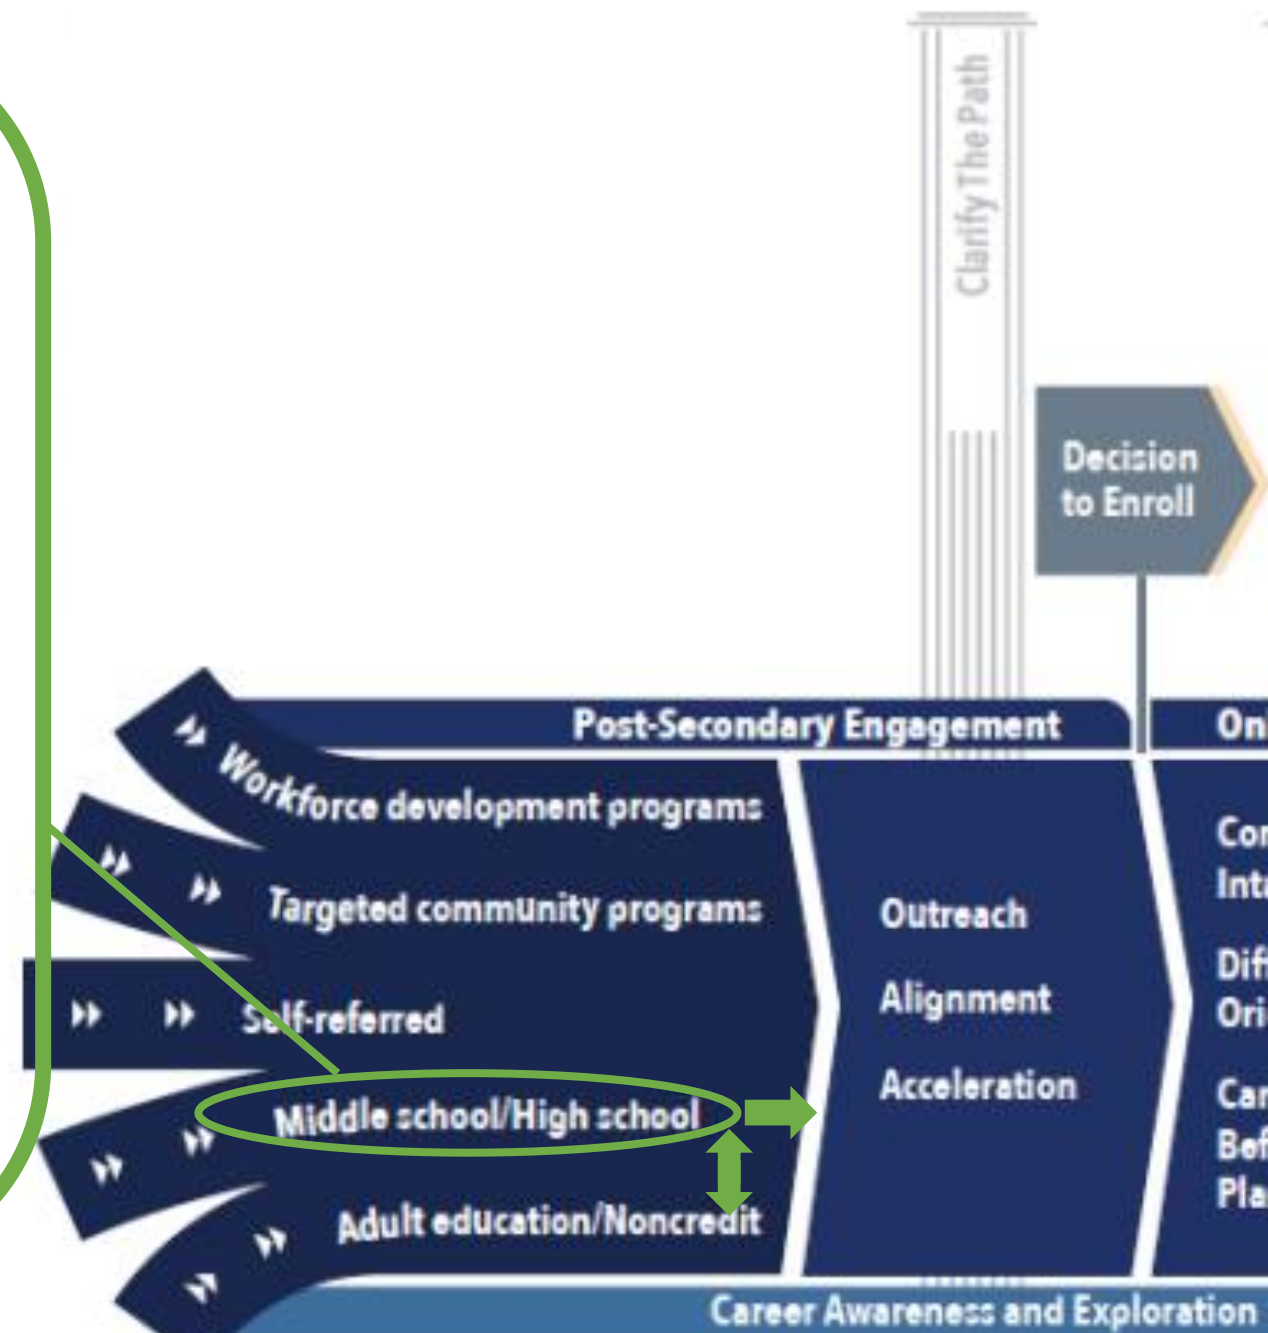

K14 Work Group

Goals across Outreach, Alignment, & Acceleration

K14 Intersegmental Partnerships for Student Success

- Increase awareness of high-demand job opportunities (high wage, high skill, in-demand)
- Increase transparency of program pathways into post-secondary
- Accelerate time to degree completion - save students time and money
- Expand entry to well-paying jobs - increase students' career success
