

## **WBL and Job Placement Process Demonstration Review**

College Directions:

3- 5 minute overview/review of process demonstration

### **Questions for College**

- How are you approaching institutionalization of your processes? (SOP Manual on the shelf)
  - What are the roadblocks you are encountering?
  - How will your processes last beyond funding of a WBL position?
- Who else is needed for institutionalization?
- How are you embedding “A” level opportunities? (A lot of Nepris type activities)
- What parts of your process overwhelm or concern you?
- How are you addressing or preventing gaps in your student and employer pipelines?

### **Questions for the Group**

- How are others collaborating with campus partners for data collection?
- How can processes be implemented despite staffing challenges?
- What additional staff support is needed to create a more efficient process?
- What might be missing from their processes?
