Goals of New Pathway Navigation RFA (2022-23)

1. Expand and develop innovative onboarding practices, in conjunction with Guided Pathways and Student Equity and Achievement
2. Intentional focus on equity
3. Use data in a deliberate, ongoing way to promote equity. On your campus, identify:
 - Student populations to focus on
 - PN projects specific to your college goals
 - SWP metrics and leading indicators
4. Have the right team at the table, including instruction and SS

Focus on Data and Equity

Taking stock of progress and areas of focus - 2022-23

- Revisit self-assessment tool to see where you are
- Your colleges' goals with regard to DI students
- Consider the data you have and data available that can inform your projects
- Other considerations?

PN PROJECT FOCUS AREAS

1. Pre-enrollment Outreach & Engagement
2. Differentiated Orientation
3. Ongoing and Integrated Career & Education Planning

Pre-enrollment Outreach & Engagement

- Outreach/In-reach
- Focus on initial contacts and touch points (e.g., peer ambassadors, initial advising/counseling connections, first year experience teams)
- Comprehensive intake process and form
- Pathway guidance (introduction)
- Career exploration

Differentiated Orientation

- Beyond online vs. in-person focus
- Differentiated orientation based on
 - Pathway
 - Background
 - Needs
 - Interests
 - Education and career goals
- Pathway information
- Continued connection with student mentors, ambassadors and learning communities of student groups/populations

Ongoing & Integrated Career and Ed Planning

- Career assessments (initial and ongoing)
- Consistent, coordinated advising and counseling
- Career plan before ed plan
- Career exploration and WBL experiences
- Career preparation orientation courses
- Transfer plans linked to career and ed plans
