K14 Equitable Career Pathways Project

Kickoff

Reflect on successes, goals, and pathway recommendations moving forward

Pathway Deep Dive

- Explore results of local research into enrollment/persistence data.
- Examine equity gaps and pathway transitions across segments **(HW)**

Alignment

- Identify strategies to bridge gaps in pathway transitions across segments
- Examine acceleration opportunities within pathways **(HW)**

Pathway Recommendations

- Reflect on process documentation and lessons learned
- Suggest final edits to model
- Options recommendations
