**San Diego & Imperial
Counties' Community
Colleges' (SDIC
Community Colleges)
Regional Consortium**

aligns **10 community colleges** with the workforce needs of priority and emergent sectors and encourages industry-education partnerships. Our Career Education programs help students learn new skills, complete short-term career training, and/or earn a certificate or an associate degree.

Collaborate with SDIC Community Colleges to help educate and develop the skilled workforce your company needs to succeed

BUILD THE WORKFORCE YOU WANT

Share industry needs by advising our curriculum, validating our labor market information, or serving on advisory committees.

TRAIN FOR THE SKILLS YOU NEED

Help students gain professional experience in your industry, and practice essential skills through work-based learning activities like Capstone projects, job shadowing, career speakers, workplace tours, internships and apprenticeships opportunities.

CONNECT YOU WITH STUDENTS

Share your job openings with us, and we will help promote with our community college network.

VISION

Transforming the way educators, industry, and community partners equitably advance economic mobility.

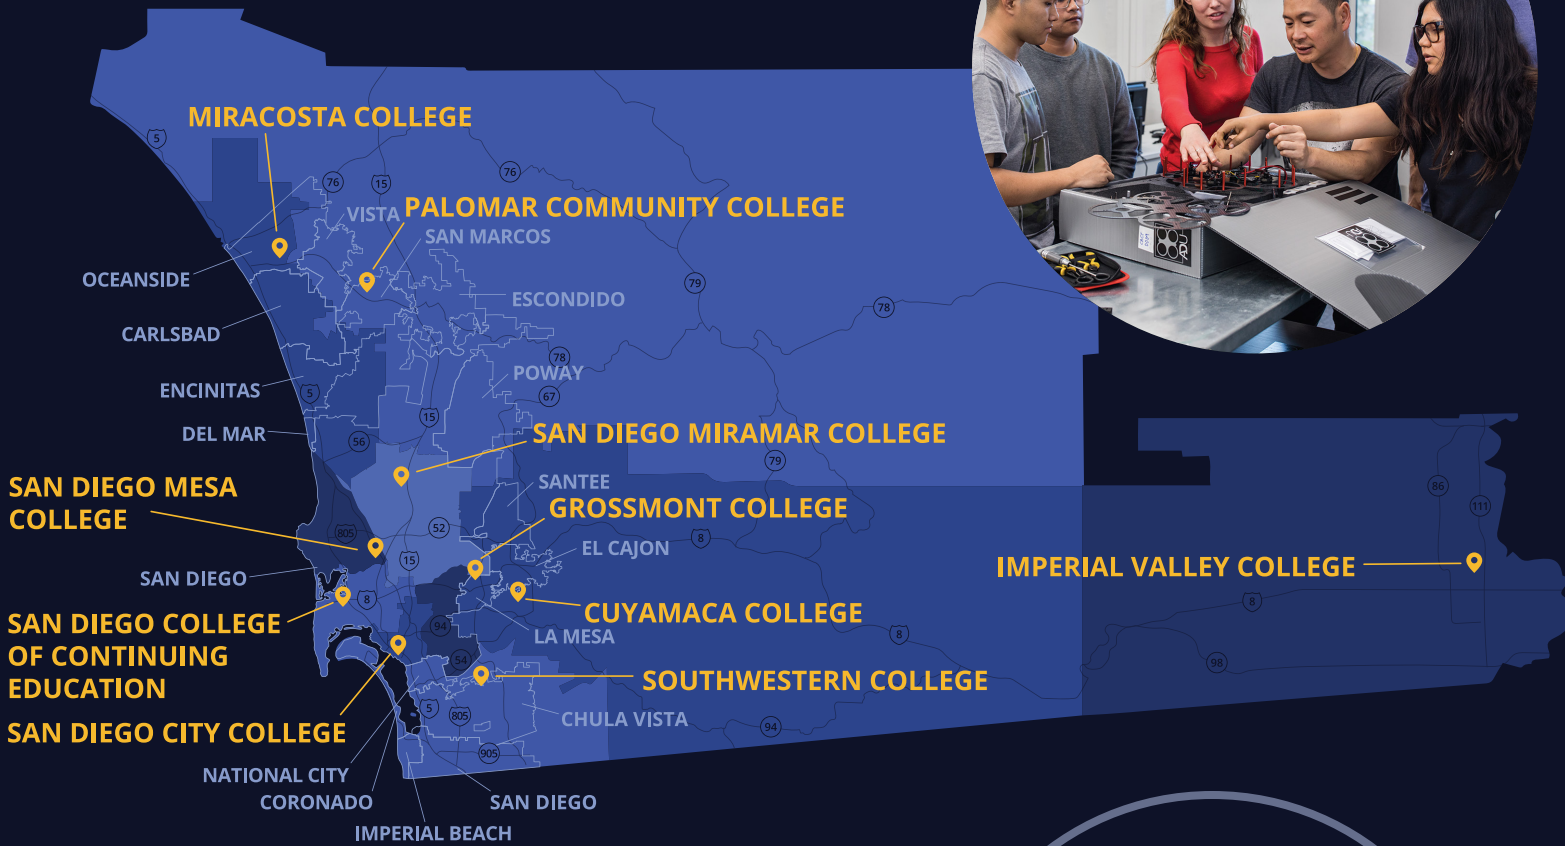

MISSION

The San Diego & Imperial Counties Community Colleges Regional Consortium (SDICCC RC) provides leadership and guidance on regional career education initiatives that serve its members and stakeholders. Driven by an equity framework, we collaborate with educators, industry, community partners, and students to develop a skilled workforce and align to the future needs of the regional ecosystem.

Our work begins and ends with employers.
