Attending a community college after high school is: *

- My first choice.
- My back-up plan if I don't get into my first-choice school.
- My back-up plan if I don't get scholarships for a 4-year school.
- I am taking or have already taken community college courses while in high school.
- Not my plan.
- I'm not sure yet.

Which of the reasons below would lead you to choose a community college after high school? Select all that apply. *

- I want to stay close to home.
- I want to be available to help my family as needed.

- I can enroll in a program there that will help prepare me for my future career.
- The community college has connections local employers for internships and jobs.
- My friends or family have had good experience at community colleges.
- I'd be able to take classes that would help me get into a 4-year college later.
- I do not plan to attend a community college.
- Other...

What reasons below would lead you to *not* choose a community college after high school? Select all that apply. *

- I want to explore life outside of my community after high school.
- I want the chance to live on campus.
- I am expected by others to attend a 4-year college after high school.
- I feel prepared academically to go to a 4-year college right after high school.
- I'm worried it will be difficult to transfer to a 4-year college from community college.
- My community college doesn't have a program to prepare me for my desired career.

I don't plan to attend any more school after high school.

I do plan to attend a community college.

Other...

If you chose in the question above "I don't plan to attend any more school after high school", can you tell us why?
