

Options After High School Survey Recommendations for *Cross-Segmental* Interventions

Intervention Type	Possible Cross-Segmental Intervention
Marketing Materials and Campaigns:	
About CC opportunities	<p>All marketing campaigns from other Interventions sheets can be used to make students aware of early college credit opportunities at the CC in addition to their primary goal of touting the CC as an institution to attend post-graduation</p> <hr/> <p>All marketing campaigns from other Interventions sheets can be used to show the connection between students' HS CTE programs, CC programs, and careers</p>
Outreach & Other Events:	
	<p>Have HS and AE students join a CC class for an hour or two to experience a college class</p> <hr/> <p>Have joint HS/CC information sessions for students and parents to connect the dots between HS and CC pathways</p> <hr/> <p>Invite back graduates who currently attend CC to come talk about their programs. Students like to hear from other students</p>
Counseling:	
	<p>Get more high school counselors onto the CC campuses to see the programs for themselves, so that they can provide informed counseling and help be ambassadors for the CCs</p>
