# Regional Support New Funding & Programs

- Irvine Foundation Grant (\$750,000) – Apprenticeship Employer Engagement and Regional Hub
- New COYA grants (Fire/EMS) - Miramar and SDCCE
- SWP Sector Project & CAI funding to support a new Pharmacy Technician apprenticeship program - MiraCosta and CVS.

# In Development

Currently working with several employers, colleges, adult schools & CBOs to develop new potential (pre)/apprenticeships in the following sectors:

Industry	LEA
Advanced Manufacturing (Industrial Technology)	City College
Automotive (Electric Vehicle and Diesel)	Palomar Miramar
Healthcare (Nursing, Dental)	IVC Palomar
Hospitality (Culinary, Restaurant Management)	GUHSD
Information Technology (Coding)	SDCCE
Railway Technology (Maintenance)	GUHSD

# Continuing Challenges & Opportunities

Our work begins and ends with employers.

Apprenticeship staffing is critical

Industry moves faster than education

Competing priorities

Strategic leadership matters

Funding and success can attract more funding
