

WORKFORCE DEVELOPMENT COUNCIL (WDC) MEETING

You're invited to join the San Diego & Imperial Counties Community Colleges Regional Consortium (SDI RC) for our monthly Workforce Development Council (WDC) meeting. At WDC meetings, we discuss the workforce needs within our region and collaborate to recommend regional workforce training initiatives.

At the upcoming meeting on October 4, Robert Meyer, Director of Economic Development, and Rebecca Eusey, Senior Economic Development Analyst from the Employment Training Panel (ETP), will present an overview of their organization, their partnerships, and opportunities for community colleges to collaborate with them. The presentation will include a small panel of organizations who will share brief remarks on their experience working with ETP.

**ETP provides funding to employers to assist in upgrading the skills of their workers through training that leads to good paying, long-term jobs. The ETP is a funding agency, not a training agency. Businesses determine their own training needs and how to provide training.*
